

EC Certificate of Factory Production Control

Certificate No. 0086 - CPD – 511865

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive – CPD), as amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

Flexible sheets for waterproofing Bituthene family and associated own labels

characterised for use as
Plastic and rubber damp proof sheets including plastic and rubber basement tanking sheets

produced by

Grace Construction Products Ltd,

635 Ajax Avenue, Slough, Berks, SL1 4BH, United Kingdom

manufactured in the factory located at

635 Ajax Avenue, Slough, Berks, SL1 4BH, United Kingdom

are submitted by the manufacturer to initial type testing of the products and a factory production control, and that the approved body BSI has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised European Standard EN 13967 and in accordance with the procedures given, were applied.

Alastair Trivett, Managing Director, BSI Product Services– Global
Date 21 November 2006

This certificate first issued 21 November 2006

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
